(e) Failed to correctly complete the "Disclosure of Preneed Agreement.

27. Complainant realleges Paragraphs 22-25 above. Respondents are subject to disciplinary action under Code sections 7686 and 7690, because they violated Code sections 7703 and 7707, by committing acts or omissions constituting gross incompetence in the practice of funeral directing. Respondents did not complete the "Disclosure of Preneed Agreement," as required by section 1277.5, title 16, California Code of Regulations, or complete the "Declaration of Disposition of Cremated Remains," so that it specifically described the manner of disposition of M.R.'s cremated remains.

FUNERAL DIRECTING SERVICES- DECEDENT H.L.

29. On or about October 16, 2011, decedent H. L. passed away, survived by J.L., her son. On or about October 17, 2011, J.L. made arrangements with Respondents for cremation of the decedent and disposition of her cremated remains by interment at Golden Gate National Cemetery. At that time, Respondents agreed that cremation and interment would be completed within approximately one week. Respondents caused JDK Transport to move the decedent's body from Living Health and Care Center to Crossroads Family Final Care for cremation. Respondents informed JDK Transport personnel that the decedent died on October 16, 2011.

30. On or about October 17, 2011, J.L. and Respondents signed, among other things, an "Order to Cremate," to Crossroads Family Final Care correctly stating that the decedent died on October 16, 2011, and a "Statement of Funeral Goods and Services," describing the goods and services purchased by J.L. from Respondents.

31. Respondents prepared a "Certificate of Death," incorrectly stating that the decedent died on October 10, 2011, the decedent's father's name was "Carol," "Donald I. Guttman" was certifying physician and that the physician's address was 6601 Dwane Ave., San Diego, California.

32. From time to time after October 17, 2011, Respondents notified J.L. that the decedent would be interred at Golden Gate National Cemetery on different dates ranging from November 1, 2011, to November 14, 2011, all of them later than when Respondents agreed that interment would be completed. When questioned about the delay, Respondents informed J.L. that the delays were attributable to Veterans Administration, which administered Golden Gate National Cemetery, and that once scheduled with Veterans Administration, dates for interment could not be changed.

33. On or about October 21, 2011, Respondents provided Crossroads Crematory with an "Application and Permit for Disposition of Human Remains," incorrectly stating that the decedent died on October 10, 2011.

34. Some time shortly before on or about October 28, 2011, J.L. asked Respondents whether or not he could transport the decedent's cremated remains from Crossroads Crematory to

Golden Gate National Cemetery for interment, Respondents informed J.L. that he could not do so, and that only Respondents could do so.

35. J.L. transported the decedent's cremated remains from Crossroads Crematory to Golden Gate National Cemetery where, at J.L.'s request, the decedent was interred on or about October 28, 2011. After interment, Golden Gate National Cemetery discovered that the "Application and Permit for Disposition of Human Remains," it received from Crossroads Crematory incorrectly stated that the decedent died on October 10, 2011. When Golden Gate National Cemetery requested that Respondents to provide an "Application and Permit for Disposition of Human Remains," correctly stating the decedent's date of death, Respondents refused to do so.

FOURTH CAUSE FOR DISCIPLINE

(For Unprofessional Conduct in the Practice of Funeral Directing)

36. Complainant realleges Paragraphs 29-35 above. Respondents are subject to disciplinary action under Code sections 7686 and 7690, because they violated Code section 7707, by committing acts or omissions constituting unprofessional conduct in the practice of funeral directing, including those described below.

(a) Respondents promised J.L. that the decedent would be cremated and her remains interred at Golden Gate National Cemetery within one week of October 16, 2011, without first contacting a crematorium or Golden Gate National Cemetery regarding such arrangements.

(b) Respondents falsely informed J.L. that interment of the decedent was delayed because Golden Gate National Cemetery was administered by the Veterans Administration, a governmental agency.

(c) Respondents falsely informed J.L. that once scheduled with Golden Gate National Cemetery, dates for interment could not be changed.

(d) When J.L. informed Respondents that he wanted to personally transport the decedent's cremated remains from the crematorium to Golden Gate National Cemetery, Respondents falsely informed him that only Respondents, and not J.L., could do so.

///

FIFTH CAUSE FOR DISCIPLINE

(For Gross Negligence in the Practice of Funeral Directing)

37. Complainant realleges Paragraphs 29-35 above. Respondents are subject to disciplinary action under Code sections 7686 and 7690, because they violated Code section 7707, by committing acts and omissions constituting gross negligence in the practice of funeral directing, including those described below.

(a) Prepared a Death Certificate for the decedent stating incorrect information, including the decedent's date of death, the spelling of the name of the decedent's father, the spelling of the name of the certifying physician and the physician's business address.

(b) When informed on more than one occasion of the incorrect information set forth in the Death Certificate, Respondents unreasonably delayed correction of the errors.

(c) When Respondents submitted a disposition permit to Crossroads Family Final Care and to J.L., Respondents knew that it incorrectly stated the date of the decedent's death.

(d) Respondents refused to provide a corrected disposition permit to Crossroads Family Final Care or Golden Gate National Cemetery.

(e) After Respondents discovered that the date of the decedent's death stated in the Certificate of Death was incorrect, Respondents attempted to obfuscate his error by altering the "Order to Cremate," signed by J.L., without his knowledge or consent, to incorrectly state that the decedent died on October 10, 2011.

(f) Respondents provided false documents to the Bureau inspector, including the "Order to Cremate" that Respondents altered.

(g) In an attempt to justify their unreasonable delay in correcting errors in the Certificate of Death, Respondents falsely represented to the Bureau inspector that they asked Dr. Gutman's office to return the completed amendment of the Death Certificate to the health department when, in fact, Respondents asked that it be returned by Dr. Gutman to Respondents.

~~(h) In an attempt to justify their unreasonable delay in correcting errors in the Certificate of Death, Respondents falsely represented to the Bureau inspector that they received the~~

completed amendment to the Death Certificate from the health department when, in fact, Respondents received it from Dr. Gutman's office directly.

(i) Respondents' "Statement of Funeral Goods and Services," falsely states that "merchandise is subject to 8.75% Sales Tax."

(j) Respondents' Bill for Services falsely states that the sales tax for the sale of an "Alternative Container (Cardboard)," for $45.00 is $5.00.

SIXTH CAUSE FOR DISCIPLINE

(For Misrepresentation in the Practice of Funeral Directing)
