ORDER DENYING PETITION FOR REINSTATEMENT

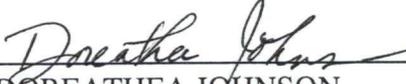

Petitioner, Anthony Dannible, submitted a Petition for Reinstatement (Petition) of his Embalmer's License, to the Cemetery and Funeral Bureau (Bureau) on August 12, 2015.

Business and profession Code section 7725.5 provides:

“A license that is not renewed within five years after its expiration may not be renewed, restored, reissued, or reinstated thereafter. The holder of the expired license may obtain a new license only if the holder pays all of the fees, and meets all of the requirements, other than requirements relating to education, set forth in this chapter for obtaining an original license, except that the bureau may issue a new license to the holder without examination if the holder establishes to the bureau's satisfaction that, with due regard for the public interest, the holder is qualified to engage in the activity in which the holder again seeks to be licensed.”

Petitioner's license was denied, effective January 21, 2008. Therefore, the Petition is denied and petitioner must submit an application with the Bureau to obtain a new license.

IT IS SO ORDERED this 1st day of December, 2015.
