6. Section 118 of the Code states:

". . . .

"(b) The suspension, expiration, or forfeiture by operation of law of a license issued by a board in the department, or its suspension, forfeiture, or cancellation by order of the board or by order of a court of law, or its surrender without the written consent of the board, shall not, during any period in which it may be renewed, restored, reissued, or reinstated, deprive the board of its

authority to institute or continue a disciplinary proceeding against the licensee upon any ground provided by law or to enter an order suspending or revoking the license or otherwise taking disciplinary action against the licensee on any such ground.

"(c) As used in this section, 'board' includes an individual who is authorized by any provision of this code to issue, suspend, or revoke a license, and 'license' includes 'certificate,' 'registration,' and 'permit.'"

7. Section 7725.2 of the Code states:

"Except as otherwise provided in this article, a license that has expired may be renewed at any time within five years after its expiration on filing of an application for renewal on a form prescribed by the bureau and payment of all accrued and unpaid renewal fees. If the license is not renewed within 30 days after its expiration the licensee, as a condition precedent to renewal, shall also pay the delinquency fee prescribed by this chapter. Renewal under this section shall be effective on the date on which the application is filed, on the date on which all renewal fees are paid, or on the date on which the delinquency fee, if any, is paid, whichever last occurs. If so renewed, the license shall continue in effect through the date provided in Section 7725 that next occurs after the effective date of the renewal, when it shall expire if it is not again renewed.

"If a license is not renewed within one year following its expiration, the bureau may require as a condition of renewal that the holder of the license pass an examination on the appropriate subjects provided by this chapter."

STATUTORY PROVISIONS

8. Code section 9725 states:

"Upon grounds provided in this article [Article 6 (commencing with section 9725)], and the other articles of this act, the license of any cemetery licensee and the certificate of authority of any cemetery corporation may be revoked or suspended in accordance with the provisions of this article."

9. Code section 9727 states:

"The bureau may suspend or revoke the license of any cemetery licensee who, within the immediately preceding three years, has done any of the following:

"(a) Been convicted of a crime substantially related to the qualifications, functions and duties of such licensee. The record of conviction, or a certified copy thereof, shall be conclusive evidence of such conviction.

". . . ."

10. Code section 9727.2 states:

"A plea or verdict of guilty or a conviction following a plea of nolo contendere is deemed to be a conviction within the meaning of this article. The bureau may order the license suspended or revoked, or may decline to issue a license, when the time for appeal has elapsed, or the judgment of conviction has been affirmed on appeal or when an order granting probation is made suspending the imposition of sentence, irrespective of a subsequent order under the provisions of Section 1203.4 of the Penal Code allowing such person to withdraw his or her plea of guilty and to enter a plea of not guilty, or setting aside the verdict of guilty, or dismissing the accusation, information or indictment."

11. Code section 7686 states:

"The bureau may suspend or revoke licenses, after proper notice and hearing to the licensee, if the licensee has been found guilty by the bureau of any of the acts or omissions constituting grounds for disciplinary action. The proceedings under this article shall be conducted in accordance with Chapter 5 of Part 1 of Division 3 of Title 2 of the Government Code, and the bureau shall have all the powers granted therein."

12. Code section 7691 states:

"Conviction of a crime substantially related to the qualifications, functions and duties of the license holder in question constitutes a ground for disciplinary action. The record of conviction, or a certified copy thereof, shall be conclusive evidence of such conviction."

13. Code section 7709 states:

"A plea or verdict of guilty or a conviction following a plea of nolo contendere is deemed to be a conviction within the meaning of this article. The bureau may order the license suspended or revoked, or may decline to issue a license, when the time for appeal has elapsed, or the judgment of conviction has been affirmed on appeal or when an order granting probation is made

suspending the imposition of sentence, irrespective of a subsequent order under the provisions of Section 1203.4 of the Penal Code allowing such person to withdraw his plea of guilty and to enter a plea of not guilty, or setting aside the verdict of guilty, or dismissing the accusation, information or indictment."

14. Section 482 of the Code states:

"Each board under the provisions of this code shall develop criteria to evaluate the rehabilitation of a person when:

". . . .

"(b) Considering suspension or revocation of a license under Section 490.

"Each board shall take into account all competent evidence of rehabilitation furnished by the applicant or licensee."

15. Section 490 of the Code states:

"(a) In addition to any other action that a board is permitted to take against a licensee, a board may suspend or revoke a license on the ground that the licensee has been convicted of a crime, if the crime is substantially related to the qualifications, functions, or duties of the business or profession for which the license was issued.

"(b) Notwithstanding any other provision of law, a board may exercise any authority to discipline a licensee for conviction of a crime that is independent of the authority granted under subdivision (a) only if the crime is substantially related to the qualifications, functions, or duties of the business or profession for which the licensee's license was issued.

"(c) A conviction within the meaning of this section means a plea or verdict of guilty or a conviction following a plea of nolo contendere. Any action that a board is permitted to take following the establishment of a conviction may be taken when the time for appeal has elapsed, or the judgment of conviction has been affirmed on appeal, or when an order granting probation is made suspending the imposition of sentence, irrespective of a subsequent order under the provisions of Section 1203.4 of the Penal Code.

"(d) The Legislature hereby finds and declares that the application of this section has been made unclear by the holding in *Petropoulos* v. *Department of Real Estate* (2006) 142 Cal.App.4th

554, and that the holding in that case has placed a significant number of statutes and regulations in question, resulting in potential harm to the consumers of California from licensees who have been convicted of crimes. Therefore, the Legislature finds and declares that this section establishes an independent basis for a board to impose discipline upon a licensee, and that the amendments to this section made by Senate Bill 797 of the 2007 -08 Regular Session do not constitute a change to, but rather are declaratory of, existing law."

16. Section 493 of the Code states:

"Notwithstanding any other provision of law, in a proceeding conducted by a board within the department pursuant to law to deny an application for a license or to suspend or revoke a license or otherwise take disciplinary action against a person who holds a license, upon the ground that the applicant or the licensee has been convicted of a crime substantially related to the qualifications, functions, and duties of the licensee in question, the record of conviction of the crime shall be conclusive evidence of the fact that the conviction occurred, but only of that fact, and the board may inquire into the circumstances surrounding the commission of the crime in order to fix the degree of discipline or to determine if the conviction is substantially related to the qualifications, functions, and duties of the licensee in question.

"As used in this section, 'license' includes 'certificate,' 'permit,' 'authority,' and 'registration.'"

REGULATORY PROVISIONS

17. California Code of Regulations, Title 16, Section 2330, states:

"For the purposes of denial, suspension or revocation of a license pursuant to Division 1.5 (commencing with Section 475) of the Code, a crime or act shall be considered to be substantially related to the qualifications, functions or duties of a cemetery broker or salesperson if to a substantial degree it evidences present or potential unfitness of a cemetery broker or salesperson to perform the functions authorized by his or her license in a manner consistent with the public health, safety, or welfare.
