APPLICATION PROCESS

APPLICATION AND ELIGIBILITY

Within 7 days of receipt, the CFB will notify the applicant in writing regarding the status of his or her application. If the application is incomplete, the letter will specify what additional information the applicant must provide. Once the application is deemed complete, the CFB will notify PSI that the applicant meets the requirements for candidacy and is eligible to sit for the examination.

ABANDONMENT OF APPLICATION

In accordance with Title 16, California Code of Regulations Section 1254, the CFB considers an application abandoned if a candidate fails to take the examination within 1 year after being notified of eligibility. Failure to appear at a scheduled examination without prior notice is also considered abandonment. In the event of abandonment, a candidate must submit a new application to the CFB with the required fee and meet all requirements at the time of filing. Application fees are not reimbursed when an application is abandoned.

EXAMINATION SCHEDULING PROCEDURES

Once you have been approved by CFB, you are responsible for contacting PSI to schedule an appointment to take the examination. You may do so via the Internet at www.psiexams.com, or schedule over the telephone at (877) 392-6422. 

FIRST TIME EXAMINEES: Examination eligibility expires, and an application is deemed abandoned, if the applicant fails to sit for examination within one year after being notified of eligibility.

In most California testing centers, testing does not take place on the following major holidays:

INTERNET SCHEDULING

You may schedule for your examination by completing the online Test Registration Form. The Test Registration Form is available at PSI’s website, www.psiexams.com. You may schedule for an examination via the Internet 24 hours a day.

1. Complete the registration form online and submit your information to PSI via the Internet.
2. Upon completion of the online registration form, you will be given the available dates for scheduling your examination.
3. You will need to choose a date to complete your registration.
4. Upon successful registration, you will receive a traceable confirmation number.

TELEPHONE SCHEDULING

PSI has two scheduling methods available if you wish to schedule by telephone. First, call PSI at (877) 392-6422, 24 hours a day and schedule using the Automated Registration System. Second, if you wish to contact a live operator, use this same telephone number to contact PSI registrars Monday through Friday between 4:30 am and 7:00 pm and Saturday-Sunday between 6:00 am and 2:30 pm, Pacific Time, to schedule your appointment for the examination.

CANCELLING AN EXAMINATION APPOINTMENT

You may cancel and reschedule an examination appointment without forfeiting your fee if your cancellation notice is received two (2) days prior to the scheduled examination date. For example, for a 9:00 a.m. Monday appointment, the cancellation notice would need to be received before 9:00 am on the previous Saturday. You may call PSI at (877) 392-6422. Please note that you may also use the automated system, using a touch-tone phone, 24 hours a day in order to cancel and reschedule your appointment.

Note: A voice mail message is not an acceptable form of cancellation. Please use the PSI Website, automated telephone system, or call PSI and speak to a Customer Service Representative.
MISSED APPOINTMENT OR LATE CANCELLATION

If you miss your appointment, you will not be able to take the examination as scheduled, further you will forfeit your examination fee, if:

- You do not cancel your appointment 2 days before the scheduled examination date;
- You do not appear for your examination appointment;
- You arrive after examination start time;
- You do not present proper identification when you arrive for the examination.

RE-EXAMINATION

Candidates who fail are eligible to re-take this examination. A new application will be provided with the score report at the test center, or may be obtained by contacting the CFB.

To apply for re-examination, candidates must complete a new application and submit it to the CFB with the correct fee. A notice confirming your eligibility for re-examination will be sent approximately 90 days from the date of the last examination. Candidates are permitted to take the examination four times in a 12-month period.

Sample Scenario:

- Danny received notice of eligibility to take the written examination on 1/18/07. He must take the written examination no later than 1/18/08.

EXAMINATION SITE CLOSING FOR AN EMERGENCY

In the event that severe weather or another emergency forces the closure of an examination site on a scheduled examination date, your examination will be re-scheduled. PSI personnel will attempt to contact you in this situation. However, you may check the status of your examination schedule by calling (877) 392-6422. Every effort will be made to re-schedule your examination at a convenient time as soon as possible. You will not be penalized. You will be re-scheduled at no additional charge.

SPECIAL ACCOMMODATIONS AVAILABLE

All examination sites are physically accessible to individuals with disabilities. Scheduling services are also available via our Telecommunications Device for the Deaf (TDD) by calling 800-735-2929.

The CFB and PSI recognize their responsibilities under the Federal Americans with Disabilities Act and the California Fair Employment and Housing Act by providing testing accommodations or auxiliary aids or services for candidates who substantiate the need due to a physical or mental disability or qualified medical condition.

Candidates whose primary language is not English may also qualify for accommodations.

Requests for accommodation must be received with your completed examination application. Accommodations that fundamentally alter the measurement of the skills or knowledge the examinations are intended to test will not be granted.

Accommodations will not be provided at the examination site unless prior approval by the CFB has been granted. Reasonable, appropriate, and effective accommodations may be requested by submitting a “Request for Accommodation” package. This package is available by contacting the CFB or online at www.cfb.ca.gov/formspublics/exam_accommodations.pdf. Do not call PSI to schedule your examination until you have received written notification from the CFB regarding your request for accommodations.

REPORTING TO THE EXAMINATION SITE

On the day of the examination, you must arrive at least 30 minutes prior to your scheduled appointment time. This allows time for check-in and identification verification and provides time to familiarize yourself with the examination process. If you arrive late, you may not be admitted to the examination site and you may forfeit your examination registration fee. Even though candidates will be thumb printed, you are still required to comply with any identification requirements established by the appropriate regulatory entity.

REQUIRED IDENTIFICATION AT EXAMINATION SITE

You must provide one of the following valid forms of government-issued identification before you may examine:

- A photographic Driver’s License (any state)
- State identification card (any state)
- U.S. military identification
- Valid passport - any country (valid foreign passport with valid record of arrival/departure - Form I-94 or processed form I-551 stamped in a valid foreign passport)

All photographs must be recognizable as the person to whom the identification card was issued. The name on the application must match the photographic I.D. card. If you have recently changed your name with the CFB, you may want to contact PSI to verify that they have the correct same name on file.

If you cannot provide the required identification, you must call (877) 392-6422 at least 3 weeks prior to your scheduled appointment to arrange a way to meet this security requirement. Failure to provide all of the required identification at the time of the examination without notifying PSI is considered a missed appointment, and you will not be able to take the examination and you will forfeit your examination registration fee.

CALIFORNIA LAW SECURITY PROCEDURES

Section 123 of the California Business and Professions Code states: It is a misdemeanor for any person to engage in any conduct which subverts or attempts to subvert any licensing examination or the administration of an examination, including, but not limited to:

- Conduct which violates the security of the examination materials;
- Removing from the examination room any examination materials without authorization;
- The unauthorized reproduction by any means of any portion of the actual licensing examination;
- Aiding by any means the unauthorized reproduction of any portion of the licensing examination;
- Paying or using professional or paid examination-takers for the purpose of reconstructing any portion of the licensing examination;
- Obtaining examination questions or other examination material, except by specific authorization either before, during, or after an examination; or
- Selling, distributing, buying, receiving, or having unauthorized possession of any portion of a future, current, or previously administered licensing examination.

Communicating with any other examinee during the administration of a licensing examination.

Copying answers from another examinee or permitting one’s answers to be copied by another examinee.

Having in one’s possession during the administration of the licensing examination any books, equipment, notes, written or printed materials, or data of any kind, other than the examination materials distributed, or otherwise authorized to be in one’s possession during the examination.

Impersonating any examinee or having an impersonator take the licensing examination on one’s behalf.

Nothing in this section shall preclude prosecution under authority provided for in any other provision of law. In addition to any other penalties, a person found guilty of violating this section, shall be liable for the actual damages sustained by the agency administering the examination not to exceed ten thousand dollars ($10,000) and the costs of litigation. (For a full text of Section 123, please see Appendix A)

IMPORTANT INFORMATION ABOUT TAKING AN EXAMINATION

1. All candidates will have their thumbprint taken during examination check-in and re-entry into the testing room after an approved absence. If a candidate passes the examination, the thumbprint record will be destroyed. If a
candidate abandons his or her application for licensure, as determined by the appropriate regulatory authority, the thumbprint will also be destroyed. If a candidate is unsuccessful, the thumbprint record will be retained by PSI to ensure proper identification on any subsequent examination attempts. If the thumbprint doesn’t match upon exit and re-entry, the candidate shall be disqualified from the examination, his or her test results invalidated, and the appropriate regulatory entity will be notified of the occurrence. The taking of the thumbprint is an additional measure to enhance examination security. The Department of Consumer Affairs, Office of Professional Examination Services shall ensure that the appropriate safeguards for the storage and destruction of the thumbprint records are in place.

2. The temperature in the testing room is maintained at a moderate level. Candidates are advised to layer clothing. Acceptable layered clothing includes lightweight shirts, sweaters, and pullovers without pockets. These items must be worn upon check-in, while you wait to enter the testing room, and during your initial seating for the examination.

3. There are timing mechanisms available at the test site and on the computer console to help candidates keep track of time during the test administration. Watches or other timekeeping devices are not permitted in the examination rooms.

4. Only one candidate will be allowed to take a restroom break at a time. Candidates are required to sign out when you leave the room and when you return. If a candidate’s restroom break takes longer than 5 (five) minutes, a proctor will check on the candidate and will notify the applicable regulatory entity of the occurrence, which will take appropriate action.

5. The following items are not permitted in the examination rooms:

- Cellular telephones, personal digital assistants (PDAs), recording devices, cameras, pagers, purses, notebooks, notebook computers, reference or readings material, music players, radios, electronic games, calculators, or briefcases.

- Personal items including watches, backpacks, wallets, pens, pencils, or other writing devices, food, drinks (unless prior approval is obtained by your regulatory entity) and good-luck items.

- Hats, baseball caps, or visors (with the exception of religious apparel), coats, shawls, hooded clothing, heavy jackets or overcoats.

During the check-in process, all candidates will be asked if they possess any of the prohibited items and all candidates will be asked to empty their pockets. If prohibited items are found during check-in, candidates shall return these items to their vehicle or other place of safekeeping. Neither PSI, nor the Department of Consumer Affairs, shall be responsible for the items. Any candidate possessing the prohibited items in the examination room shall have his or her test results invalidated, and PSI shall notify the appropriate regulatory entity of the occurrence.

6. Copying or communicating examination content is a violation of PSI security policy and existing law. Either one shall result in the disqualification or invalidation of examination results, the denial of your license, and may subject the candidate to criminal prosecution.

**TAKING THE EXAMINATION BY COMPUTER**

Take the PSI examination by computer is simple. You do not need any computer experience or typing skills. You will use fewer keys than you use on a touch-tone telephone. All response keys are colored and have prominent characters. An illustration of the special keyboard is shown.

![Keyboard Illustration](image)

**IDENTIFICATION SCREEN**

You will be directed to a semiprivate testing station to take the examination. When you are seated at the testing station, you will be prompted to confirm your name, identification number, and the examination for which you are registered.

**TUTORIAL**

Before you start your examination, an introductory tutorial to the computer and keyboard is provided on the computer screen. The time you spend on this tutorial, up to 15 minutes, DOES NOT count as part of your examination time. Sample questions are included as part of the tutorial so that you may practice using the keys, answering questions, and reviewing your answers.

One question appears on the screen at a time. During the examination, questions answered and minutes remaining will be displayed at the top of the screen and updated as you record your answers.
**EXAMINATION QUESTION EXAMPLE**

During the examination, you should press 1, 2, 3, or 4 to select your answer. You should then press “ENTER” to record your answer and move on to the next question. A sample question display follows:

- [ ] 1. Presidents
- [ ] 2. Constellations
- [ ] 3. States
- [ ] 4. Wars

**EXAMINATION RESULTS**

At the end of your examination, a pass or fail result will be shown on the screen and you will receive a printed score report. Numerical (raw) scores are provided to all candidates. Your examination results are confidential and are released only to you and your state-licensing agency. To protect your privacy and to maintain the confidentiality of examination results, score information is not given over the telephone.

**PASSING SCORE**

Examinations often vary in difficulty depending on the form of the examination administered. For this reason, the passing score is determined using a criterion-referenced method rather than a set score or percentage. Applying the criterion-referenced method, the difficulty of each item on the examination is evaluated relative to the minimum competence standard for safe practice. As a result, the passing score is lower for difficult examinations, and is higher for easier examinations, providing a safeguard to both the candidate and the public.

**FAILING SCORE REPORTS**

The score report will indicate the candidate’s overall score and grade, including the number of items answered correctly.

**RE-APPLICATION PROCESS**

Candidates who fail the examination must submit a new application to the CFB with the required fee.

**CHANGE OF ADDRESS**

Applicants and candidates must notify the CFB in writing of any change of address. Allow 30 days for the change of address to be processed.

**EXAMINATION INTRODUCTION**

**PURPOSE OF THE EXAMINATION**

Prior to receiving a funeral director license or assuming the duties of funeral establishment manager in the State of California, candidates are required to successfully pass a written examination. The primary purpose of the examination is to help ensure public health and safety by assessing the candidate’s ability to apply California health and safety laws, as well as other relevant laws and regulations, to the major duty areas of funeral director practice.

**DESCRIPTION OF PRACTICE**

California Business and Professions Code Section 7615 describes the practice of a funeral director as follows:

A funeral director is a person engaged in or conducting, or holding himself or herself out as engaged in any of the following:

(a) Preparing for the transportation or burial or disposal, or directing and supervising for transportation or burial or disposal of human remains.

(b) Maintaining an establishment for the preparation for the transportation or disposition or for the care of human remains.

(c) Using, in connection with his or her name, the words “funeral director,” or “undertaker,” or “mortician,” or any other title implying that he or she is engaged as a funeral director.

**EXAMINATION DEVELOPMENT**

The examination is developed and maintained by the Department of Consumer Affairs, Office of Professional Examination Services (OPES). The individual test items are written by licensed funeral directors under the guidance of OPES analysts.

**PREPARATION FOR THE EXAMINATION**

**OVERVIEW**

The funeral director examination is based upon a test plan developed by licensed funeral directors. The plan identifies aspects of practice related to the tasks that a funeral director must be able to perform at licensure. The examination contains 100 multiple-choice items from major job duty areas, and it has a time limit of 2 hours.

**DESCRIPTION OF MAJOR DUTY AREAS**

The funeral director examination covers four major duty areas that define the scope of knowledge necessary for safe and effective practice. Each of the major duty areas, weighted on the examination in terms of its importance in practice, is described below.
I. FUneral Arrangements (55%)
This content area assesses the candidate’s ability to identify client’s disposition needs, obtain required authorizations and permits, and coordinate desired services.

II. Contracts (19%)
This content area assesses the candidate’s ability to provide an itemized statement of funeral goods and services selected by a client, to explain and/or implement preneed arrangements, as well as manage preneed trust funds.

III. Administration (26%)
This content area assesses the candidate’s ability to manage employee training requirements and maintain legally mandated records and facility conditions. Furthermore, this area assesses the candidate’s ability to notify public agencies of reportable cases and to oversee transportation and forwarding of human remains.

EXAMINATION OUTLINE

The examination outline identifies the knowledge required to demonstrate acceptable competence in each of the major content areas. Content areas specify practical knowledge, with references to statutes and provisions of:

- Title 16 of the California Code of Regulations
- California Health and Safety Code,
- California Business and Professions Code
- California Welfare and Institutions Code
- California Government Code
