Definition of Terms:

Accusation – An Accusation is a legal document formally charging a licensee with a violation(s) of the Cemetery Act or Funeral Directors and Embalmers Law, and notifying the public that a disciplinary action is pending.

Citation – An enforcement action, which may contain an administrative fine and order of abatement, issued to a licensee, registrant, or unlicensed person or business for violations of the statutes and regulations enforced by the Bureau.

Default Decision – A decision based on the licensee's failure to provide a Notice of Defense after an Accusation or Statement of Issues has been served, or failure to be present at an administrative hearing. All charges are deemed true, and the default decision normally results in a revocation of the licensee's license(s).

Effective Decision Date – The date the disciplinary decision/order goes into effect.

Petition to Revoke Probation – Based upon violation(s) of probation the Bureau may file charges against a probationer seeking revocation of his/her license.

Proposed Decision – A decision rendered by an Administrative Law Judge through an Administrative Hearing which contains the determination of issues, findings of fact, and proposed order.

Revoked – The license is cancelled and the right to practice has ended.

Revoked, Stayed, Probation – The Bureau revoked the license, however, the revocation is "stayed" or temporarily set aside, subject to specified probationary terms and conditions. The licensee may continue professional practice so long as the licensee complies with the specified probationary terms and conditions. If the licensee violates probation, the Bureau may petition to lift the "stay" and revoke the license.

Statement of Issues – A Statement of Issues is a legal document formally charging an applicant for licensure with a violation(s) of the Cemetery Act or Funeral Directors and Embalmers Law, and notifying the public that an administrative hearing on the denial is pending.

Stipulated Settlement – A licensee facing disciplinary action by the Bureau or an applicant for licensure formally denied an initial license may negotiate a settlement or “stipulated agreement” prior to hearing.

Suspension – The licensee is prohibited from practicing for a specific period of time.

Voluntary Surrender – A licensee surrenders their license as a resolution to a disciplinary matter, subject to acceptance by the Bureau. The individual or business can no longer practice in the State of California.

Writ of Mandate – An appeal filed in Superior Court asking the court to overturn the Director’s decision.
