Message from the Bureau Chief

On behalf of the Cemetery and Funeral Bureau (Bureau), I am excited to present the Bureau’s 2015-2018 strategic plan. The strategic planning process has been a collaborative effort among licensees, consumers, and Bureau staff. This plan will help guide our work as we look to the future and continue to serve California consumers. I would like to thank everyone involved in the strategic planning development process who provided valuable input, clear vision, and commitment to help achieve a meaningful plan.

As a consumer protection program, I look forward to continuing our efforts in making the Cemetery and Funeral Bureau an efficient and effective part of state government. It is our mission to advocate consumer protection through licensee compliance, proactive education, and by consistently applying the laws and regulations governing the death care industry.

The Bureau continually strives to operate in an open and transparent environment while meeting its regulatory obligations. This plan will allow forums for consumers and licensees to provide input on funeral and cemetery-related issues.

I welcome input from all of our stakeholders and hope you will join in our success as we begin to work towards the objectives identified in this very ambitious, but achievable plan.

Cemetery and Funeral Bureau
Department of Consumer Affairs
ABOUT THE CALIFORNIA CEMETERY AND FUNERAL BUREAU

The California Cemetery and Funeral Bureau (Bureau) licenses, regulates, and investigates complaints against approximately 12,200 licensees in thirteen different licensing categories. This includes funeral establishments, funeral directors, embalmers, apprentice embalmers, cemetery brokers, cemetery salespersons, cremated remains disposers, crematories, crematory managers, cemetery managers, and private, nonreligious cemeteries established after September 1939, that collect endowment care funds.

The Bureau regulates many aspects of the licensed cemetery and funeral profession, with oversight responsibility of both the operational and fiduciary activities of the industries. The Bureau oversees preneed funeral trust funds, cemetery endowment care trust funds, and cemetery special care trust funds. While the State Department of Insurance regulates the sale of insurance policies which can be used to fund preneed funeral arrangements, the seller must meet the price disclosure and contract requirements under the Bureau’s jurisdiction.

The Bureau has the examination authority to ensure compliance with the financial laws, while verifying accounting and investing practices, and identify funding shortages.

The Bureau employs twenty-two staff, consisting of nine full-time field staff located throughout the state and thirteen office staff members in Sacramento. The Bureau also has a seven-member Advisory Committee comprised of industry and public members. The Advisory Committee holds two annual public meetings which provide an opportunity for both consumers and licensees to contribute information and provide professional and technical information to the Bureau on industry-related matters.
The death of a loved one is one of the most traumatic experiences consumers will face. The Cemetery and Funeral Bureau has developed a booklet, *Consumer Guide to Funeral & Cemetery Purchases*, along with several pamphlets, to assist consumers in making the difficult end-of-life decisions for themselves or for a loved one. The information contained in the publications will help consumers ask the right questions, compare prices, and services, and make informed decisions. The publications can be found on the Bureau’s website at [www.cfb.ca.gov](http://www.cfb.ca.gov).¹

¹ The State of California does not license cemeteries operated by religious organizations, cities, counties, or cemetery districts, the military, Native American tribal organizations, or other groups.

### 2011 Strategic Plan Accomplishments

The California Cemetery and Funeral Bureau accomplished the following goals since the adoption of the previous 2011 strategic plan.

1) **Advisory Committee** – The Bureau created a new committee composed of four industry and three public members who each serve a two-year term.

2) **Consumer Guide to Funeral & Cemetery Purchases** – A Bureau publication, which was revised and updated in June 2013 and provides information to help consumers make informed decisions about funeral and cemetery arrangements for themselves or loved ones.

3) **Peace of Mind: Funeral and Cemetery Arrangements** – A Bureau publication, developed in March 2012, which includes general information on planning ahead for cemetery and funeral arrangements.

4) **Preneed Q&A** – In May 2013, the Bureau updated the Q&A brochure, which provides consumers with general information on funeral preneed planning.

5) **Probation Monitoring Guidelines and Procedures** – The Bureau developed procedures to ensure licensees placed on probation comply with the terms and conditions of their probation, including cost recovery.

6) **Procedure Manuals** – The Bureau updated all manuals for field operations, licensing functions, and enforcement procedures.

7) **Cemetery Maintenance Standards** – The Bureau developed and implemented regulations effective January 1, 2012 for cemetery maintenance standards to prevent the offensive deterioration of an endowment care cemetery licensed by the Bureau.
8) **Funeral Citation and Fine Regulations** – The Bureau adopted regulations that amended the funeral citation and fine table. The adopted regulations, effective on October 1, 2014, allow for issuance of an administrative citation and/or monetary fine for any violation of the statutes or regulations applicable to funeral practice.

9) **Cemetery Citation and Fine Regulations** – The Bureau drafted proposed regulatory language to amend the cemetery citation and fine table. The proposed regulations will allow for issuance of an administrative citation and/or monetary fine for any violation of the statutes or regulations applicable to cemetery practice.

STRATEGIC PLANNING PROCESS

To understand the environment in which the Bureau operates and identify factors that could impact the Bureau’s success, the California Department of Consumer Affairs’ SOLID unit conducted an environmental scan of the internal and external environments by collecting information through the following methods:

- An online survey sent to thirteen stakeholders, comprised of industry professionals, professional associations, California colleges, and others who expressed interest in the strategic direction of the Bureau. The online survey received thirty-four responses.
- An online survey sent to nine field staff.
- Telephone interviews with Executive team members in July, 2014.
- Focus group discussion with Bureau staff in July, 2014.

The most significant themes and trends identified from the environmental scan were discussed by the Bureau executive team during a strategic planning session facilitated by SOLID on August 20, 2014. This information guided the Bureau in the development of its mission, vision, and values, while directing the strategic goals and objectives outlined in this 2015 – 2018 strategic plan.
