INSTRUCTIONS FOR APPLICATION FOR CERTIFICATE OF AUTHORITY

A cemetery is an area of land that is used or intended to be used and dedicated for cemetery purposes such as: a burial park, for earth interments; a mausoleum, for crypt or vault interments; a columbarium, for cinerary interments; or a place where six or more human bodies are buried.

The application for a certificate of authority (COA) must be completed when a new cemetery is established or a cemetery changes ownership of more than 50 percent equitable interest (Health and Safety Code section 8585). The application filing fee is \$400, payable to the Cemetery and Funeral Bureau. The annual renewal fee is \$400. All fees are non-refundable.

After all required documents have been submitted and approved by the Bureau, a field representative will inspect your cemetery before final approval is given and a license issued. Once you have been issued a license, the license must be posted in a conspicuous place where it can be viewed by consumers.
